(2) Search for, collect, or examine a great many records in response to a single request.

(3) Consult with another office or agency that has substantial interest in the determination of the request.

(4) Conduct negotiations with submitters and requesters of information to determine the nature and extent of non-disclosable proprietary materials.

## Subpart D—Fees

### § 5.41 Fees to be charged—categories of requests.

The paragraphs below state, for each category of request, the type of fees that we will generally charge. However, for each of these categories, the fees may be limited, waived, or reduced for the reasons given in §§ 5.42 through 5.45 or for other reasons.

(a) *Commercial use request.* If your request is for a commercial use, HHS will charge you the costs of search, review, and duplication.

(b) *Educational and scientific institutions and news media.* If you are an educational institution or a non-commercial scientific institution, operated primarily for scholarly or scientific research, or a representative of the news media, and your request is not for a commercial use, HHS will charge you only for the duplication of documents. Also, HHS will not charge you the copying costs for the first 100 pages of duplication.

(c) *Other requesters.* If your request is not the kind described by paragraph (a) or (b) of this section, then HHS will charge you only for the search and the duplication. Also, we will not charge you for the first two hours of search time or for the copying costs of the first 100 pages of duplication.

### § 5.42 Fees to be charged—general provisions.

(a) We may charge search fees even if the records we find are exempt from disclosure, or even if we do not find any records at all.

(b) If we are not charging you for the first two hours of search time, under § 5.41(c), and those two hours are spent on a computer search, then the two free hours are the first two hours of the operator's own operation. If the oper- ator spends less than two hours on the search, we well reduce the total search fees by the average hourly rate for the operator's time, multiplied by two.

(c) If we are not charging you for the first 100 pages of duplication, under § 5.41 (b) or (c), then those 100 pages are the first 100 pages of photocopies of standard size pages, or the first 100 pages of computer printout. If we cannot use this method to calculate the fee reduction, then we will reduce your total duplication fee by the normal charge for photocopying a standard size page, multiplied by 100.

(d) We will not charge you any fee at all if the costs of routine collection and processing of the fee are likely to equal or exceed the amount of the fee. As of May 1987, such costs among the units HHS ranged between $6.00 and $12.50.

(e) If we determine that you (acting either alone or together with others) are breaking down a single request into a series of requests in order to avoid (or reduce) the fees charged, we may aggregate all these requests for purposes of calculating the fees charged.

(f) We will charge interest on unpaid bills beginning on the 31st day following the day the bill was sent. We will use the provisions of Part 30 of this Title in assessing interest, administrative costs, and penalties and in taking actions to encourage payment.

(g) This subpart does not apply to requests for Social Security program records on Social Security number holders, wage earners, employers, and claimants, where the requests are governed by section 1106 of the Social Security Act, 42 U.S.C. 1306(c), and by 20 CFR 442.441.

### § 5.43 Fee schedule.

HHS charges the following fees:

(a) Manual searching for or reviewing of records—when the search or review is performed by employees at grade GS–1 through GS–8, an hourly rate based on the salary of a GS–5, step 7, employee; when done by a GS–9 through GS–14, an hourly rate based on the salary of a GS–12, step 4, employee; and when done by a GS–15 or above, an hourly rate based on the salary of a GS–15, step 7, employee. In each case, the hourly rate will be computed by taking the current hourly rate for the
